

B. **OC Titan 122523** (see page 10)

Bred at Orrie Cowie from **OC Regal 056** (see page 11). This sire has a strongly dominant Collinsville pedigree beginning at Orrie Cowie with an half share of Regent 66 purchased from Mangala stud in 1999 for \$25,000. He was a massive ram, awarded Autumn Shorn Grand Champion at the Adelaide Show.

Orrie Cowie has been breeding polls for almost 50years and so has a very strong poll factor in the elite stud ewes. Out of just 5 specially selected pure poll ewes in a joining of Regent 66 so was OC Regal 056 born. He was such an outstanding ram, never shown, just put out to work. Usingr another specially selected pure poll ewe, **OC Titan was born.**

2013 Titan was awarded: Reserve Champion March Shorn Strong Wool Poll Ram @ Bendigo  
Reserve Champion March Shorn Poll Ram @ Hamilton Sheepvention  
Reserve champion March shorn Poll Ram @ Crystal Brook  
Reserve Champion March shorn Medium Wool Poll Ram @ Dubbo National

The pinnacle of **OC Titan's** illustrious showing was to be awarded:

- SA Ram of the Year 2014

- Grand Champion August Shorn Poll Merino @ Sydney Royal Easter Show 2016

- Grand Champion Ram @ Adelaide 2014

- Runner-up to the Australian Supreme @ Dubbo National 2014

At Dubbo, in 2014 he was sold for \$25,000, topping the whole ram sale. Semen has been sold all over Australia and NZ and with great results and still in demand.

Daughters and sisters of OC Titan or OC Regal have huge potential to breed scale, early growth rate and wool cut.

At Royal Adelaide Show 2014, he cut 19.8kg of 21.4µ wool and weighed in @ 160kg.

Bred a ewe sold last year to Argentina for \$6,000, she was shown.

Titan's sons have sold in the first year @ \$10,000, \$8,200, \$4,600, \$4,400, \$3,200

2017 we have an outstanding young sire **150129** (see page 12) for show and semen sales. He was awarded Champion Medium/Strong Wool Poll Ram at GSSM Canberra 2017.

*Semen is available from most of these top sires with outstanding performance records.*

#### STUDMASTERS COMMENTS:

This promising young sire bred from “SA Ram of the Year 2014” is likely to impact the whole poll merino industry. His brilliant, gutsy, crimped white fleece is so attractive and coupled with his good body and alert stance is even more convincing. He is the spitting image of his grandfather OC Regal 056 but with an even better quality wool.
