This year we achieve our 50th on-property ram sale (with the same agent). What a golden opportunity to purchase Orrie Cowie genetics. Genetics that through the decades have been renowned for great constitution, sound backs, large frames, good conformation and bulky fleeces. Fleeces that are nourished, white, long-stapled and "stylish", fleeces that keep the dust out and don't let the water in, suitable for all environments. With this history, we guarantee our rams. Going forward we will still retain these important traits, refining them to make them better.

For sale - semen &/or progeny of these outstanding rams

Orrie Cowie 50 years

TA Murdoch and Sons registered the Orrie Cowie Merino stud in 1965, based on *Anama* and *Ryelands* with an infusion of *Brewarrina*. They registered the Poll Merino stud in 1968 using *Anama*, *Moorundie Park* and *Orrie Cowie* ewes. The studs were transferred to VR & JM Murdoch in 1977 and to DT & HMV Dalla (their daughter and son-in-law) in 1999.
