STUD MASTER'S COMMENTS

A ram so brilliant in the wool and with outstanding structure and doing-ability, he just speaks for himself.

Many studs could be using this magnificent poll sire with very appealing poll lambs already born in several key Australian studs. Even though pedigree is SO important, not too many rams on offer as top sires can boast such impressive backgrounds; well this Coddington poll called “Eclipse” has an impeccable breeding history: Sire: RP09-0014 (most successful Roseville Park sire bred for many years)*
